

MICHAEL INGLIS

DIGITAL DESIGNER

www.michaelinglis.design

ABOUT ME

I am a passionate Digital Designer with 10 years experience, delivering creative, user-focused web, branding, and UI/UX design solutions. Skilled in Adobe Creative Cloud, Figma, and Wordpress, with strong front-end capabilities in HTML and CSS. Confident in developing custom Wordpress themes, leading design systems, and managing brand assets. Recently completed full-site design and development for clients such as Ford Boreham Motorworks, Evoluto Automobili, and Sloane Private Clients. Known for a collaborative approach, problem-solving mindset, and strong attention to detail.
